## Memorandum of Understanding

## Learning Agreement

**Memorandum of Understanding**  
Draft Version

**1. Objectives of the Memorandum of Understanding**

The Memorandum of Understanding forms the framework for cooperation between the signatories. It aims to include mutual trust between the partners. In the Memorandum of Understanding it is explicitly stated that the partner organisations mutually accept their respective criteria and procedures for quality assurance, assessment, validation and recognition of knowledge, skills and competences for the purpose of transferring credit.

Are other objectives agreed? Please tick an appropriate box:
